

Health Buddy

Virtual Launch of Health Buddy Awareness Campaign at NCCS

Health Buddy is an application developed by SingHealth to give you easy access to health information and services, anytime, anywhere.

Don't miss this fun-filled informative hour to find out how Health Buddy can work for you!

25 February 2022, Friday

4.30pm - 5.30pm

Zoom Webinar

Event Highlights:

- Skit by Cancer Survivors
- Interview with Special Guests including NCCS Medical Director, Prof William Hwang
- Quiz with Prizes to be won
- Learn about new features and health information you can now access on Health Buddy ...and much more!

Event attendees will receive an exclusive reusable shopping bag!*

*Please provide your address upon registration for the token of appreciation to be mailed to you.
